NEWS OF OUR MEN and WOMEN IN UNIFORM

ON DUTY WITH U. S. MARINES

Sergeant William Henry Carroll, of Daly City, and his sentry-dog, Rudy, stand and sit at attention, respectively. Both are on duty with the U. S. Marines at Mare Island Navy Yard in Vallejo. The sergeant's wife, Matilda, resides here at 219B Los Banos avenue. Rudy is a Doberman Pinscher.

Sergeant Carroll

Sergeant William Henry Carroll, 50, of Daly City, is attached to the Marine Corps detachment at Mare Island Navy yards, Vallejo, and is in charge of instructing Marine guards in the use of sentry dogs.

A veteran of World War I, when he served with the Army's fourth cavalry, he makes his home with his wife, Matilda, at 219B Los Banos avenue, Daly City.

Sergeant Carroll joined the Marines in August and was schooled in sentry dog training at the Army War Dog Reception and Training center at San Carlos.

He was one of ten instructors selected from a class of 50 trainees and assigned to the Vallejo base.

The canine sentries were likewise schooled at the San Carlos station and were transferred to Vallejo for guard duty and advanced instruction.

Sergeant Carroll and his men walk post, care for, and train their canine partners.

The dogs serve a 4-hour watch and have every third day off.

Sergeant Carroll is a member of the Veterans of Foreign Wars, San Jose Post No. 344.

The Kingman Army Air field flexible gunnery school, Arizona, reports that Sergeant **Harold R. Lucas,** Eighty-eighth street and Railroad avenue, Colma, has been graduated and is now entitled to wear the wings of a gunner.

Private **William J. Sweeney,** 264 Stratford drive, San Francisco, has been promoted to the rank of private first class at the Carlsbad Army Air field, Carlsbad, New Mexico.

His parents are Mr. and Mrs. W. J. Sweeney, 6805 Mission street, Daly City.

His wife is the former Rose M. Korio, of San Francisco.

Somewhere in the South Pacific—(Delayed) — The two jobs that Private First Class **La Joie Mon Santo jr.,** (cq) Daly City, California, Marine, performs here don't conflict.

Private **Robert "Bob" Crooker,** above, popular graduate of Jefferson Union high school, is now in North Africa with the Quartermaster corps of the U. S. Army.

Crooker has been in the service since January 14, 1943. Prior to that he was a civilian employee of the Quartermaster corps at the San Francisco Presidio. His parents are Mr. and Mrs. A. M. Crooker, 88 Risel street, Daly City.

The Marana Army Air field Tucson, Arizona, reports that Cadet **Franklin Eugene Pate,** graduate of Jefferson Union high school, has successfully completed the basic flying training course at the Marana field and has been graduated.

To Discuss Home Protection Setup

Public Meeting Will Be Held At Jeff, Oct. 14

Motion pictures showing the results of bombing on European cities, speakers who will describe the changes in civilian defense necessitated by the changing tides of war, and specific discussion of Daly City's home protection problems will be featured at a mass meeting to be held at the Jefferson Union high school auditorium, Thursday evening, October 14.

The session, planned under the supervision of Harry Melicker, chief air raid warden, will get under way at 8 p. m. sharp. All volunteers, as well as the general public, are urged to be present.

This will be the first general public meeting on civilian defense held in many months and public support is requested by Arthur J. Bodien, director. It is hoped to make the meeting an outstanding event which will bring public thinking about home protection up to date, as well as provide volunteers with practical demonstrations of their duties.

High School Hears 53rd Infantry Band

Piling up a total of $12,587.80 in War Bond and Stamp sales, Jefferson Union high school climaxed 8 days of intensive campaigning with a public assembly program, Friday, October 1, from 2 to 3 o'clock.

The Fifty-third Infantry band from the San Francisco Presidio had been secured for the occasion. Opening number on the stirring program, which received thunderous applause from the audience of students and their visitors, was "Americans We." The band's director is Warrant Officer L. E. Decker. Under him are approximately thirty musicians

Grandmother Wins In Slogan Contest

The 72 year old grandmother of a fighting United States Marine was the winner of the San Mateo County War Chest slogan contest, it was announced, this week, by E. H. Cosgriff, chairman of the county War Chest organization.

The contest winner is Mrs. Bertha Asche, 850 Cambridge avenue, Menlo Park, who will receive a $25 war bond for submitting this winning slogan:

"It is your gift that gives humanity a lift."

Out of the several hundred slogans received by the War Chest slogan judges, Mrs. Asche's entry loomed as the best because it makes a plea for a humanitarian cause.

Unfortunately for some of the entrants in the contest they confused the war chest with the bond sales campaign and wrote their entries around the bond sales.

The response to the slogan con-

War Council Will Meet Tonight

Preparation for the October 28 drill of all civilian defense volunteers in the area north of Bepler street and Wellington avenue will be made, at tonight's meeting of the Daly City Civilian War Council, at the city hall, 75 Wellington avenue.

Director Arthur J. Bodien will preside at tonight's session, beginning at 8 o'clock. He expects his group to turn out a number of incidents which will test the various services thoroughly.

Schools To Handle Book Four Registration

Registration for War Ration Book Four will be handled through the schools, according to recent information received at War Price and Rationing Board No. 83-12-3, which serves the Daly City area and is located at 470 Grand avenue, South San Francisco. Opening date for the sign-up is October 20. Details will be announced later.

Miss Genevieve Blue, chief clerk, reiterated her admonition that the covers of Books One and Two must be saved and presented to the registrars by local residents when they apply for Book Four.

Final Plea Made On Fire Prevention

Admonition not to regard Fire Prevention Week, October 3 to 9, as "just another week" was made today by Chief Andrew P. Chesney.

"It's unpatriotic to fail in your responsibility to eliminate fire hazards in your own home," Chesney pointed out. "Fires originating within the home take a huge toll in lives and money each year. This is especially deplorable this year, when our nation is at war."

Common causes of fires at home, which Daly City residents are asked to check, are faulty chimneys, accumulations of rubbish, worn out electrical wires and connections, carelessness in using cleaning fluids, oily dust cloths and mops.

Need Woman For Home Service

An urgent appeal was sent out, today, by the Red Cross for a woman to train for volunteer Home Service work in this locality according to Mrs. Horace Fellows general Red Cross chairman for Daly City.

"Home Service work, as one of the most humanitarian and appealing branches of Red Cross service, includes personal contacts with wives or relatives of fighting men in any sort of trouble. It is one of the most gratifying forms of work in the organization and a vital part of the Red Cross's service to the Armed Forces," Mrs. Fellows said.

Included in Home Service work are inquiries and messages for people in occupied countries and prisoners' war packages. The training course will start Thursday, October 14, at Red Cross Home Service headquarters for San Mateo county, 1308 Howard avenue, Burlingame.

Anyone interested in taking the course is asked to contact Mrs. Fellows at 163 Vista Grande avenue or call DElaware 4123.

That's A Night He'll Remember!

Henry Stocking, Red Arrow Auto court, will have occasion to remember the night of Sunday, October 3, for some time. He met a soldier, marine, and civilian in town and brought them to a Daly City tavern for a drink. After the trio of guests had had their drinks they got into Stocking's car with him and as he drove up Vendome avenue they hit him over the head, dumped him over a cliff opposite 84 Vendome avenue, took $28 in bills from him, and drove off in his car which they later abandoned at 47 Hillcrest drive.

Daly City Police Officers Henry Sundermann jr. and Roland Petrocchi drove Stocking to Alemany hospital where he received treatment for a severe cut on the back of the head, cuts on the left side of his face and a smashed middle finger on the left hand. More than that they could not do as Stocking had absolutely no clue as to whom the three men were.

Council Unanimous On Filling Post

Type Of Bonds Chosen At Adjourned Meeting

Two decisions of major importance were made by Daly City's councilmen at the Thursday night, September 30, adjourned meeting of the board, held at the city hall.

Details of what type of bonds the city should purchase with the $10,000 it set aside at the regular council session, September 27, were ironed out. The city voted to purchase Certificates of Indebtedness 7-8 Per Cent. It was further voted to make the purchases through Jefferson Union high school to help that school meet its new $75,000 goal. Mayor A. J. Gaggero represented the council in buying the bonds.

By unanimous vote, Howard McHugh, 247 Oliver street, was selected to complete the unexpired term of Councilman Hugh H. Smith jr., now in the U. S. Army. In the event that Smith should be released from the Army before his term expires, he would return to his post, otherwise McHugh's appointment will stand until the next regular election.

McHugh, past commander of Old Glory Post No. 2044, V. F. W., is a member of Daly City's Civilian War Council and has been active in Daly City and been a taxpayer here since 1931. He has two children, Donald W. and Bonnie Jean McHugh. His wife, Mrs. Josephine McHugh, has also been active in community affairs. He is employed by Farnsworth and Ruggles, San Francisco.

No other matters were discussed at the adjourned meeting, last Thursday night.

McHugh will be sworn into office at the regular meeting of the council to be held Monday, October 11, at the city hall, 8 p. m. All council meetings are open to the public.

Expect Fast Game At Park, Sunday

Daly City baseball fans will have an opportunity to see two of the faster teams in these parts, next Sunday, when the Farallone Packers meet Sherry Liquors at Marchbank park. The contest is scheduled to start at 2 p. m.

The Packers, managed by Charles Norry, finished the regular season in third place in Peninsula Summer Baseball league standings, then smashed their way through the playoffs, with four straight wins, to take the championship. The Sherrys always field one of the top weekend-playing squads in the Bay region.

Although it is still strictly in the "possible" stage, considerable support is being given the suggestion that a league of four leading teams be formed to play at Marchbank park each Sunday. Comprised of the Farallone Packers, Owl Drugs, Moffat Mantecas and Sherry Liquors, this circuit should provide plenty of excite-

Firemen Extinguish Two Local Fires

Companies 1, 2, 4, and 6, Daly City Fire department, extinguished a fire which broke out at the rear of Daly City Auto Wreckers, 7201 Mission street, Thursday evening, September 30, at 8:15 p. m. No serious damage was reported.

Monday afternoon, shortly before 3 o'clock, Companies 1 and 2 responded to an alarm turned in because of a grass fire at San Diego and Los Olivos avenues. It was quickly brought under control.

Private First Class Mon Santo, 22, is the son of Mr. and Mrs. La Joie Mon Santo sr., 278 Los Banos avenue, Daly City.

The Army Air Forces Technical Training command at the Headquarters Detroit Civilian School area announced that Corporal **Earl L. Ralston,** 550 Templeton avenue, has been graduated from the school there where he successfully completed an intensive course of instruction as an aircraft technician. He is to be transferred to an Army Air Forces unit where his newly acquired skill will be used to keep the nation's fighting aircraft at top efficiency.

He has been in the armed forces 8 months.

garnered from famous name bands such as those of Kay Kyser, Vincent Lopez, Al Refutto, Horace Heidt, and Art Lanstry.

Corporal James Fitch, vocalist, was enthusiastically received. He sang "Don't Cry," "Army Air Corps," "Stouthearted Men," "Trees," and "You'll Never Know." A quartet, composed of Corporal Fitch and Privates P. Laspina, Art Baker, and A. Arriola, sang "Johnny Zero," "In My Arms," "Don't Get Around Much Anymore," and "Pillbox Harry," written by a Y. M. C. A. secretary.

Another popular group was a trumpet trio of Corporal W. Gerst and Privates R. Bigelow and Melvin Stanley. "The Three Bluejackets" was the number they featured. The whole company joined in singing "Siboney."

"Spirit of Independence" by Abe Holzberg was the closing number.

"One of the best programs Jeffersonians ever heard!" was the way the high school described the event.

BOND DRIVE

While the Third War Loan Drive has formally ended, Bay area residents still have a chance to help push their communities over the top.

The drive officially came to a close Saturday night, October 2, but Charles R. Page, chairman of the Northern California War Finance committee, has been advised by Washington that sales of Series E, F, and G bonds up to and including October 16 will be credited to the Third War Loan drive.

Arrange Annual P. T. A. Night Meeting

The annual night meeting held jointly by all Daly City P. T. A. groups is scheduled for Tuesday evening, October 19, beginning at 7:30 o'clock. It will be held at the Jefferson Union high school auditorium.

Guest speaker has been announced as Francis Robinson, San Mateo county probation officer.

Refreshments will be served at the close of the meeting.

Qualifying Tests

Martinus Van Waynen, faculty member at Jefferson Union high school, announced today that the second qualifying test for civilians for Army specialized program, A-12, and Navy college program, V-12, will be given, November 9, 1943. However, due to the small number of young men expected to register for the test at Jefferson, the local group will take the examinations at Balboa high school and should contact that school, located in the Excelsior district of San Francisco, for further details.

Requirements are that those wishing to take the exams be in the 17-21 age group as of March 1, 1944, and be a graduate of high school as of the same date.

Jefferson Union high school has a limited number of circulars which those interested may procure by calling at the office.

test was beyond all expectations, one entry coming all the way from Michigan where a San Matean was vacationing.

Mrs. Asche lives with a daughter at the Menlo Park address. She is the grandmother of U. S. Marine, John Lee Pierson jr., 21, who has spent two winters in Iceland; was at Guadalcanal last July and is somewhere in the South Pacific now fighting for the cause of liberty.

The youth's mother is Mrs. Olive Slosson, hostess at the Naval Convalescent hospital at Santa Cruz.

"If my slogan inspires even only one person into making a gift of money to the War Chest I shall be very happy," said Mrs. Asche when she was advised she had submitted the winning entry.

Calvary Baptist Scene Of Ray--Heaton Nuptials

Harvey Richard Heaton, U. S. Navy, claimed Miss Margaret Ray, Daly City, for his bride at a lovely church wedding, Sunday afternoon, October 3, at Calvary Baptist church, Mission and Morse streets.

The bride was given away by her father, Edgar Ray. Reverend Gilbert Bellshaw performed the ceremony. Soloist was Mrs. Loretta Johnson, who sang "I Love You Truly" and "At Dawning."

The bride wore a white satin gown with a train, a finger-tip veil and carried a bouquet of white orchids and bouvardia, tied with satin ribbon.

Matron of honor was Mrs. Lorraine Mulchay and bridesmaids were Miss Viola Ray and Miss Jean Burns. The three wore white lace and net gowns and carried bouquets of white and orchid sweet peas and cyclamen, tied with mousseline de soie. They wore halos of the same kinds of flowers as were in their bouquets.

The groom's attendants, all friends of his who have served in the Navy, were Charles Davis, best man, and George Roberts and Mr. Woodward, ushers. All were in uniform.

The bride's mother wore a rose formal, black accessories and a corsage of white tuberous begonias. The groom's mother, Mrs. Harvey Heaton, were blue, with black accessories. Her corsage was of pink tuberous begonias.

After the ceremony a reception for approximately 175 friends of the young couple was held at 6229-A Mission street. Immediately following the reception, the newlyweds left for a trip.

The bride is the daughter of Mr. and Mrs. Edgar Ray, 183 Flournoy street, and a graduate of Jefferson Union high school. The groom, the son of Mr. and Mrs. Harvey Heaton, 1116 Broadway, Burlingame, is a graduate of Burlingame high school. The young couple were both graduated from San Mateo junior college. Heaton has been in the Navy nearly three years. When wounded in action at Dutch Harbor he was awarded the Purple Heart.

NEW BABIES

Mr. and Mrs. Frank J. Miller, 75 Willits street, are being congratulated upon the birth of a daughter, September 21, in San Francisco, as are **Mr. and Mrs. Tillio Olcese,** Colma, to whom a son was born, September 24, in San Francisco.

CARRY ON!

The Third War Loan Drive is over! Now some of us may feel that we can pause and rest awhile until the next campaign comes along. Well, we can't. The war isn't stopping with the close of the Bond Drive.

The home front and the fighting front have some striking similarities. For instance, after their successful stand at Salerno, the American troops did not pause. The enemy was retreating. It was important to keep him going that way.

So here at home. We are winning the battle of dollars. But we can't stop. We've got to keep on winning—to stay in there and keep pitching.

It is estimated that for every soldier overseas we must ship one ton of food and equipment for each month he is in action. It is also estimated that we now have more than 2,000,000 men "over there." The supplies must keep rolling if our men are to keep on fighting. And the dollars must keep rolling in if we are to have the money to buy those supplies.

It should be remembered that a War Bond Drive is simply designed to focus attention on the need for money, and to stimulate the greater financial support of the war effort. But there is really only one War Bond Drive—and it is perpetual.

Some business concerns are carrying on with drives of their own. California's statewide branch banking institution is vigorously pursuing its $300 million goal to be reached in the 6-month period ending January 31, 1944. Already, its main offices in San Francisco and Los Angeles, as well as some of its branches, have reached their full six months' quota.

War is all that Sherman declared it to be. So we've got to keep trying—keep buying. And let's hang on to the Bonds we buy. Cashing them in at the first opportunity is not helping the cause. Don't let the boys down. Carry on!

NEWSPAPER WEEK

October 1 to 8 has been designated Newspaper Week. To the American Press, swimming through the floods of war news, economic and political news that spills off the wires 24 hours a day, there will be little time to pause for celebration.

Today, the American Press represents much more than an aggregate of daily and weekly newspapers, and it is doing much more than merely reporting the multitude of events that will fill the pages of history tomorrow. It is in itself a fighting weapon in our struggle against Axis tyranny. Through its many pages it seeks to arouse the public to the dangers of complacency with our war effort; it cautions against repeating information that may be valuable to enemy ears; it points out the necessity for sacrifice, and the importance of conserving strategic materials. And certainly it has done much to "sell" Americans on the imperative need to "back the attack" in the purchase of War Bonds.

But in addition to all this, American newspapers stand as a bulwark against the encroachment on the right of free speech. And they are fighting—and winning—their battle for more prompt reports of important military actions. Already this has resulted in a report of the attack on Jap-held Marcus Island even while it was in progress.

Americans are the best informed people on the globe. And it is the purpose and determination of the men and women who gather and publish the news of the day to see that they remain so.

Miss Florence Marie Arata Claimed At Altar By William Llewellyn Jr.

Miss Florence Marie Arata and William Paul Lewellyn jr. exchanged wedding vows at a nuptial mass, September 25, at Our Lady of Perpetual Help church. Father Adrian McKenna officiated at the 9:30 a. m. ceremony.

The bride, dressed in a white satin bridal gown with a basque bodice, long sleeves, Juliet cap of illusion tulle made from her Holy Communion veil and a string of pearls, was given away by her father, Attilio Arata. She carried a prayer book with white orchid markers and butterfly orchid streamers.

She was attended by Miss Elva Lagarmasino as maid of honor. Miss Lagarmasino wore ice-blue brocade with net skirt, a Juliet cap of blue brocade and net, and carried an old-fashioned bouquet with ruching of blue net to match her gown. It was of orchid carnations clustered around purple orchids.

The groom was attended by his uncle, First Lieutenant Eugene Bruke and Louis and Eugene Arata, brothers of the bride, as ushers. The groom's parents are Mr. and Mrs. Paul Lewellyn sr. of San Francisco. He is a graduate of the University of San Francisco and Hastings Law school.

The bride, a graduate of Our Lady of Perpetual Help school in Daly City, attended Notre Dame. She was born and reared in Daly City.

For the ceremony the church had been decorated with white gladiolus, stock and dahlias.

The bride's going-away outfit was a beige gabardine suit, matching calot, white orchids, and alligator accessories.

A bridal breakfast at the Palace hotel's Garden court followed the wedding. The couple left for a honeymoon at Carmel and Del Monte. Their home will be made temporarily at the residence of the bride's parents in Daly City.

Lovely Girls, Hit Songs At D. C.

Lovely girls, lilting Cole Porter hit songs with that "sentimental gentleman," Tommy Dorsey, to swing them out against a background of lavish production numbers, make up the ingredients of "Du Barry Was a Lady," filmed in technicolor and starring Red Skelton, Lucille Ball and Gene Kelly, now on the screen at the Daly City theatre.

The plot of this musical extravaganza concerns itself with a check-room attendant (Red Skelton) in love with the star of the floor show, May Daly (Lucille Ball). Although May loves Alec (Gene Kelly), an empty-pocketed entertainer, she is determined to marry only for money. When Red wins the sweepstakes May agrees to marry him. But plans hit a snag when Red accidentally drinks a mickey and dreams he is King Louis XV of France and May his Madame Du Barry. Du Barry proves to be an unsatisfactory mistress because she is in love with a revolutionary leader, the Black Arrow (Kelly).

When Red recovers all three have learned their lesson and join hands to sing and dance the hilarious "Friendship" finale.

Skelton is his lovable, laughable self as the dim-witted Louis. Miss Ball is an attractive Du Barry and Kelly fulfills the promise he disclosed in "For Me and My Gal."

Friday Court Sees Fines Meted Out

At Friday afternoon's Daly City court session, the case against Charles Whittlesey was dismissed and turned over to the San Mateo county sheriff for further action. It is expected that the sheriff will confer with parole board authorities and the case may be decided in superior court. Whittlesey broke into the Tringali residence, 116 Flournoy street, September 24, and was captured by Daly City police in the act of burglarizing the premises.

Judge William J. Sweeney fined A. E. Garcia, 101 Hillcrest drive, $10 for wilfully and maliciously disturbing the peace of the neighborhood. He also ordered Harold Lee Bauer, Colma, to pay a $25 fine for reckless driving in the vicinity of San Pedro road and Mission street.

Other violators of traffic rules who had fines meted out to them, Friday, included James S. Carmody, 73 Carl street, San Francisco, $5 with $2.50 suspended, dimout; Helen McQuade, 45 Santa Cruz avenue, $5 with $2.50 suspended, dimout; C. M. Evans, 6596 Mission street, $2.50, runaway car due to leaving vehicle on highway without properly setting brakes; Guido Pierazzi, 456 Douglas street, San Francisco, $5, dimout; Bernice Hardin, 983 Hanover street, $1, overnight parking; Ed V. Colma District Tops Bond Quota

The Colma district oversubscribed its quota of $86,500 in the Third War Loan drive and all returns are not in yet!

Claude Cattori, chairman for the Third War Loan drive, and Mrs. M. Pauline Brown, chairman for the War Finance committee, this week, expressed their appreciation for this fine showing.

A great measure of the success of the drive was due to the efforts of a committee of women who maintained a table at the Colma branch, Bank of America, daily during the drive.

Those who served on the committee were: Mrs. Dina Rossi, Mrs. Anna Bono, Miss Lilly Ciaradella, Miss Caroline Migliore, Miss Gladys Conti, Mrs. Eda Giusti, Miss Jean Belli, Mrs. Alexandra Westfeld, Mrs. Teresa Langford, and Miss Delphine Puricelli.

To Hold Assembly On Girl Scouting

The training committee of the San Francisco Girl Scout council invites interested women of the Bay area to attend an introductory assembly to be held, Thursday, October 14, 10:30 a. m. to noon, at the Women's City club, 465 Post street.

The program, based on short talks and round table discussions by members of the council, the staff, the Leaders' association and the community, will have as theme, "Building Ahead with Girl Scouting."

This introduction will be followed by three basic troop leadership courses which will enable women to become troop leaders. The Brownie course (7 to 10 age level) will be given Tuesdays, October 19 to November 23, 10 a. m. to noon, Women's City club; the Intermediate course (10 to 14 age level), Tuesdays, October 19 to November 23, same place.

THREE CENTS WORTH OF THINKING

Penny for your thoughts, as Red Skelton, Lucille Ball and Gene Kelly, stars of M-G-M's colorful and entertaining musical comedy, "Du Barry Was a Lady," which opens tonight at the Daly City theatre, wonder how they will wind up that love triangle. But with a zippy, catchy "Friendship" finale number, in which the three stars, Tommy Dorsey and his band and Virginia O'Brien participate, there's little doubt movie fans are in for a melee of grand entertainment.

"Mothers Day" Wins Wide Acclaim

"Mother's Day", the hilarious farce comedy now playing at the Geary theatre, San Francisco, received the unanimous approbation of the Bay cities' critics on its smash hit opening: Mrs. Hazel Bruce of the Chronicle said, "Guffaws became the explosive snorts of shock humor," while Alexander Fried of the Examiner thought it "A very racy farce." Claude LaBelle of the News listened and said that "Laughter in gales and gusts greeted every scene; and Wood Soanes of the Oakland Tribune noted that "Mother's Day" had the "Customers rolling in the aisles most of the time."

What happens in a modern family when Mother has a business of her own and Father is "in plastics" furnishes the theme for this bright, sophisticated comedy.

The shock and consternation when daughter announces she is an expectant mother, is followed by the family admitting they can not recall the soldier she secretly married from the long list of boys who have courted her.

Daughter's troubles offer only one of the many hilarious situations in "Mother's Day" which is presented by Samuel Bischoff. Written by Aleen Leslie and directed by Melville Burke, "Mother's Day" features a large New York cast, including Leon Ames, Leona Maricle, Mona Barrie and Scotty Beckett.

During the limited engagement at the Geary, "Mother's Day" presents performances nightly including Sunday, with matinees on Saturday only, at 2:30.

Daly City Dimout Retains Status Quo

As far as Daly City is concerned all the dimout rules and regulations previously in effect are in effect now, according to Arthur J. Bodien, head of the civilian war council here. His announcement was made to clarify the situation which resulted when some residents mistook an announcement applying to inland cities as directions for this area.

The dimout is still on, which means you drive in all portions of Daly City with car lights dimmed, you lower all shades at your house in the evening, you don't turn on porch lights, neon signs, or other types of outdoor illumination.

Apparently Daly City will remain a "city in the dark" for the duration and you are requested to act accordingly, Bodien pointed out.

Mrs. Fred Moore Injured In Fall, Oct. 4

Mrs. Fred Moore, 50 Peoria street, was injured when she fell down a flight of stairs while visiting at 64 Los Olivos avenue, Monday, October 4, at 11:37 a. m. Daly City Police Officer August Benassini responded to a call from the Los Olivos avenue address and found that she had broken her right arm and received a severe cut on the right leg.

The officer arranged to have Mrs. Moore rushed to Alemany Emergency hospital in the Company No. 1 first aid truck.

"Doesn't look rushed to me"

YOU CAN SEE when traffic jams a highway or people stand in the aisles of a train.

But you can't tell when Long Distance lines are crowded by looking at a telephone.

When they are, the operator will say—*"Please limit your call to 5 minutes. Others are waiting."*

That's a mighty good rule for these days. Helps you. Helps us. Helps the war.

How Big Is Your Heart?

This month, we must finance three vital jobs—helping the people in unoccupied and, if possible, occupied countries—maintaining the morale of our armed forces wherever they may be—and relieving distress in our own community.

Much is needed for this mighty task, and the need will be met if your heart is big when you write your check. Remember, you make just one big contribution instead of many small ones. So add up everything you would be giving to all the separate agencies, and then double it!

The need is crucial—so give, and give all you possibly can!

DALY CITY MUST SEND ITS DOLLARS OF MERCY to the Suffering People Around the Earth. It Must Help Its Own San Mateo Welfare Agencies. Both these Objectives Are to be Met

Julia says— Coffee can be entertaining

IT'S ONE THING to brew a pot of coffee and it's another to use coffee as the principal theme in feeding and entertaining a group of people. But with just the slightest amount of ingenuity you can do that very thing with brilliant success.

I'm thinking of such problems as: taking care of a group of Red Cross workers, or the war-working woman who wants to entertain some friends of a Sunday morning, or an informal midday meeting of P. T. A. members.

Recently I took another trip down into the heart of that hospitable state, Texas. And I had the warm pleasure of being a guest at just such a "morning coffee party" which started about eleven-thirty.

The whole affair was on the order of a "brunch," so that late workers could consider it a breakfast and early risers would make it a lunch.

When I investigated the details, later (my curiosity is never satisfied) I discovered that the whole thing had been contrived simply and in a short time. The menu was as follows:

Baked Chicken Hash with Ripe Olive Sauce
Broiled Tomato Halves
Hot Corn Muffins Currant Jelly
Old-Fashioned Gingerbread and Coffee

The gingerbread tasted so good with the coffee I asked my hostess for the recipe. Here it is:

OLD-FASHIONED GINGERBREAD

2½ cups enriched flour	⅛ tsp. cloves
2 tsps. baking powder	½ cup shortening
½ tsp. soda	½ cup sugar
½ tsp. salt	2 eggs
1 tsp. ginger	1 cup molasses
1 tsp. cinnamon	1 cup boiling water

Sift flour, measure; sift again with baking powder, soda, salt and spices. Cream shortening; gradually add sugar, creaming until light and fluffy. Add eggs, one at a time, beating well after each addition. Alternately add molasses and flour mixture, beating until smooth. Add boiling water and stir until combined. Bake in well-greased drip pan (9½x12x2) in moderate oven (350° F), 45 minutes or until done. Serve warm or cold, plain, with cheese topping, wedges of cheese or warm with a fruit sauce. Serves 12.

Of course there are "evening coffee affairs" when guests come *after* they have had their dinner—all but dessert—and you serve coffee and any dessert you want.

News From District Grammar Schools

AT JEFFERSON

Sale of Defense Stamps at Jefferson elementary school is on the up grade. The sum of $135.25 was brought in by pupils there, last week.

The teachers and children of all grades in the school are enjoying a new educational experience this term, through the use of a new state speller called "Using Words —An Enriched Spelling Program." This speller, by means of carefully prepared exercises, aims to help the student develop an appreciation of the meanings of words as well as spelling and pronouncing them.

Early this week during the sixth grade social science hour, Joseph Rose gave an outstanding talk on early sea craft. He described in a very entertaining way, early log boats, rafts and various types of primitive canoes.

During the next few weeks, children of the fifth and first grades will pursue their social science studies by observing the habits of a tree toad and caterpillars. The fifth graders prepared an aquarium for their friend, the tree toad, and the first graders brought bottles to their room to house the caterpillars.

The third grade children are learning a lot about stamps and different types of envelopes.

The kindergarten children have almost finished sewing the big envelopes that will contain the pictures that make up their Black Sambo unit.

Among new out-of-state pupils are Patsy Goodle in the seventh grade, transferred from Elko, Nevada, and Jim Hamilton in the high eighth, transferred from Michigan.

AT WOODROW

ROOM 5

The first student body meeting of the Woodrow Wilson elementary school was held, Friday afternoon. The following were elected officers for the fall term: Lora Barghini, president; Herbert Fensin, vice-president; and Gordon Cady, secretary.

The eighth grade welcomed Mona Jean Schelin who came from Kansas and Robert Long who came from the state of Arizona.

ROOM 4

New pupils received in Room 4 are: low eighth, Richard Burchett, John Garnand, and Vernon Smith. Esther Baker was enrolled in the high seventh.

ROOM 8

Another new student has entered the low seventh grade. She is Jo Ann Gross who came here from Riverside. She was born in Lexington, Kentucky, the home of many famous race horses. Her father is a horse trainer and is here for the winter meet at Bay Meadows race track.

The students of this class saw a film about the St. Lawrence river and all its important tributaries and large cities. It will help them in their study of the settling of North America.

ROOM 12

Room 12 is happy to have Audrey McKenney from Dunsmuir, California, as a classmate.

The high fifth and low sixth are studying about early pioneers.

ROOM 14

The children of Room 14 are learning about bees. Several of the children have brought pictures to school and others have told interesting stories about bees.

ROOM 15

Room 15 has started its study of textiles. The children have been bringing samples of the different fabrics and are learning to recognize them.

AT CROCKER

Last week the pupils of Room 2 and Room 3 combined efforts to clear the lot adjoining the school in preparation for planting fall and winter vegetables for their Victory Garden. Each student will receive his own section of the lot which will be his responsibility for the remainder of the term.

Room 4 welcomed back to Crocker school Patricia Del Degan. Patricia has spent some time in San Francisco. Room 4 also has a new student, Elizabeth Olson, from Michigan.

Last Wednesday, Room 6 was shown a film entitled "First Americans" which correlated with the social science unit, "Discovery and Exploration." This picture was very interesting as well as educational, and it depicted particularly the life of the Pueblo Indians.

NUTRITION and HEALTH

Q. Why is calcium needed in the diet?

A. Calcium is needed for the formation of bones and teeth, for the normal action of the heart and nerves, and for the clotting of the blood.

Q. Are children's requirements for calcium higher than adults'?

A. Yes. Because children are growing rapidly and need the calcium to form strong bones and teeth.

Q. What happens if there is a deficiency of calcium in the diet?

A. In adults the teeth start to decay and the bones become soft and porous. In children the disease known as rickets will develop.

Q. Where is calcium found in the body?

A. Ninety-nine percent of the calcium in the body may be found in the bones and teeth. The remainder is in the body fluid and tissues.

Q. What foods are rich in calcium?

A. Milk, cheese, and vegetables (especially greens).

Q. How can calcium losses in food preparation be prevented?

A. Cook fruits and vegetables in small amounts of water, and use the remaining liquid. Cook dried products in the liquid in which they are soaked.

Q. How can the calcium content of meat be increased?

A. If meat is cooked with the bones in the presence of a small amount of acid, the amount of calcium from the dish may be increased as much as 25 to 34 percent and an individual serving may furnish from 15 to 25 percent of the daily calcium requirement.

Orange Tea Biscuits

By Frances Lee Barton

CHANGE your menu as often as you can. Even the war worker must have variety for her family and herself. Health seldom remains in the home where meals are not varied.

Here is a tea biscuit recipe that is timely. These "different" delicacies may be whipped up in no time at all — and they disappear just as rapidly when placed on the table.

Orange Tea Biscuits

2 cups sifted cake flour; 2 teaspoons double-acting baking powder; ½ teaspoon salt; 5 tablespoons butter or other shortening; 2 teaspoons grated orange rind; ½ cup milk.

4 tablespoons sugar; 2 teaspoons grated orange rind; ¼ teaspoon orange juice (about).

Sift flour once, measure, add baking powder and salt and sift again. Cut in shortening. Add orange rind and blend. Add milk all at once and stir carefully until all flour is dampened. Then stir vigorously until mixture forms a soft dough and follows spoon around bowl. Turn out immediately on lightly floured board and knead 30 seconds. Roll ¼ inch thick and cut with floured 1¾ inch biscuit cutter.

Combine sugar, orange rind, and enough orange juice to make a crumbly mixture. Place ½ of biscuits in greased muffin pans, or on ungreased baking sheet, and brush with melted butter. Sprinkle with sugar mixture, and top with remaining biscuits, pressing lightly together. Bake in hot oven (450° F.) 8 to 10 minutes, or until done. Makes 18 small biscuits.

Colma P. T. A. Holds Night Whist

Tonight's the night, October 7, for Colma P. T. A.'s big whist party! It will be held at Holy Angels hall, San Pedro road, beginning at 8:30 p. m. The committee will present a cash first prize and many other lovely awards.

Mrs. Gertrude Stanghellini is chairman and she cordially invites the public to attend.

War Housing Needs Still On Increase

"During the past month, we tried to place 978 people who needed housing accommodations. This was a new high record, the last week bringing more new applicants into our office at 1108 Burlingame avenue than any other week since the War Housing Center was opened," said Louis J. Lengfeld, manager of the San Mateo County War Housing center in a recent report.

"We were able to find accommodations for only 100 during the month.

"The housing situation in this area will become worse as our offensive in the Pacific increases. Every vacancy possible should be reported to the War Housing Center."

The San Mateo County War Housing Center serves as a clearing house for lodging war workers. Accommodations already listed with it are virtually exhausted. Those who have available living space are asked to open their homes to war workers. List all such accommodations with the War Housing Center, 1108 Burlingame avenue, Phone Burlingame 4-2588.

BOWLING

The Army's winning again! Friday night, October 1, the Radio Intelligence men from Fort Daly City took Conci's Shell Service keglers for all three games. The report of the civilians' beating came from R. L. Crane jr., who showed no enthusiasm for the outcome.

Cub Canteen Does Land Office Trade

The canteen which the Cubs of Pack No. 141 had in operation at their Friday, October 1, meeting did a "land office" business, according to Cubmaster Joseph Straughan. Fresh roasted peanuts, popcorn bricks, and that traditional Cub "piece de resistance," bug juice, were featured.

The Cubs used the new playfield at the church, Vista Grande and Santa Barbara avenue, Friday night. It is to be named Gill court and is nearing completion. It is located behind Grace Church of the Nazarene. Games and the slides were enjoyed.

Highlight of the evening was an exhibition of boxing put on by "Flash" Gordon Young and "Big Bomber" Billy Allen, two Cubbies. The 4-round match ended in a draw.

Crocker PTA Will Meet October 12

Luncheon will be served at 12:-30 p. m. and ladies are requested not to bring sandwiches.

POTATOES PLENTIFUL

Potatoes, now plentiful and cheap, are one of the few unrationed foods which can be bought in quantity and stored for use later, the Bay Area Surplus Crop Marketing committee said today in urging San Francisco Bay area residents to step up potato consumption to assist in moving a potato surplus.

If kept in a dark, cool place, such as a basement or even a properly ventilated closet, potatoes will keep a minimum of 30 days without shrinking or withering, the committee pointed out. Under really favorable conditions, they will remain in excellent condition for from 3 to 6 months.

Because of a big surplus of No. 2 size (smaller average size) and "combined" (No. 2s mixed with a fair average of the big No. 1s) now in or coming into the Bay area market from the San Joaquin Delta and Klamath-Modoc district, prices are unusually low.

THE BIG STORE

If there's a fume-raid every time you back the old bus out of the garage and head for town—you're being gassed. Your muffler is leaking carbon monoxide, diluted but still dangerous. If your exhaust throws a smoke screen you're not only spoiling the air, you're wasting Gas.
